Costs Associated with Graduation

Please remember that **graduation is 100% user pay**. Fundraising helps to offset some of the costs associated with the ceremony and banquet. The Grad Committee will fundraise to pay for specific aspects of the banquet like rental fees and decorations. Should they successfully raise enough money, there is a possibility for individual students to work off part of their banquet ticket costs through fundraisers.

CEREMONY

***Grad fees have been set at \$90.00 for this year. If your school fees have not yet been paid then your Grad fees are past due!

Grad fees cover the cost of the following:

- Gown/Stole rental
- Memento caps and tassel purchase
- Group photos taken at both the cap and gown ceremony and the banquet
- Individual ceremony photo

BANQUET

***The grad banquet will be held after the last diploma exam - between June 24th -28th (location/date to be determined). We expect the banquet tickets to be approximately \$65.00-\$80.00, and the number of available tickets per grad will be determined based on the venue chosen to host the banquet.

*****GRAD PHOTOS**

Graduation portraits will be taken weekdays ***** November 27 to December 1 at CCHS. Appointment bookings will be made on-line beginning in November. Any students who know they will not be here during photo time or require retakes must contact the Lifetouch in Calgary at 403-255-5440 or email gwterritory@lifetouch.com to set up an appointment.

It is important that every Grad have a photo taken for the composite picture and yearbook. There is no obligation to purchase these photos.

Picture packages are made available to individual graduates, with the cost varying according to the package contents. Cost information is made available by Lifetouch (www.lifetouch.ca) when proofs arrive.

GRAD RINGS

2023/2024- POST-SECONDARY EVENTS AND INFORMATION

October and November are recruitment months. Most Universities, colleges and technical programs do “open houses” and “student for a day” tours for students in the hopes of attracting you to their institution. These are great opportunities to engage in conversations and pick up information on a particular school. Additionally, we run three fairs per year: two in the fall and one in the spring. Individual post-secondary institutions may also come

to our school. See our website calendar for dates and times.

How and when to apply and the appropriate forms are covered on our website under Services /Post-Secondary. Exploring our site and using its many links to post-secondary options may answer most questions regarding post-secondary.

BC, Alberta and Ontario universities are on unified sites. Other institutions will have applications on their web sites. Ontario colleges are also on a unified site.
